

JUNIOR PROGRAM

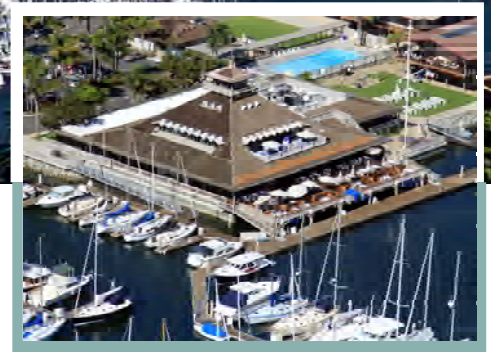

The San Diego Yacht Club Junior Program which is ranked best in the United States is a year round, internationally recognized program developing youth sailor athletes for the future.

Events are scheduled throughout the year for sailors of all ability levels including field trips, special racing clinics and a very active after-school program. During the summer months, the Junior Program employs the finest instructional staff, recruited from around the globe, to teach an eight-week sailing and racing program. Members of the Junior Program have access to the Junior Charter Fleet including an impressive myriad of boats. A full program of learning, racing or day sailing has led to the San Diego Yacht Club Junior Program's success and serves to reinforce the members' dedication to the Corinthian principle and tradition of yachting.

The San Diego Yacht Club has encouraged and fostered an environment that has helped and continues to produce the best in the world of yachting-related disciplines.
