SDYC Race Committee | TimeCounts Volunteer Management Software Instructions

To manage your schedule or update your profile go to <https://timecounts.app/me>.

Once there you can see your status (confirmed, waitlist), cancel a signup, update your profile or find more opportunities.

The screenshot shows the TimeCounts app interface. On the left, a dark teal sidebar contains a user profile card with a circular icon and the text "Hi, Markset!". Below the profile card are two buttons: "All Time" and "This Month", both with a "0" below them. The main content area has a header with a search bar and a "MN" dropdown. Below the header is a navigation bar with three tabs: "My Schedule", "Track Time", and "Profile". A red circle with the number "12" points to the "Profile" tab. To the right of the navigation bar is a "Find more opportunities" button with a red circle and the number "13" pointing to it. Below the navigation bar is a section titled "Upcoming" containing two event cards. Each card has a small image of a sailboat, the text "CYC / SDYC Spring Dinghy (Mar 23-24)", and the date and time "Sat, March 23, 2024 9:00am - 8:00pm (PST)". To the right of each card is a "Show Details" link. A red circle with the number "11" points to the "Confirmed" dropdown menu on the first event card, which also has a "Cancel" button below it. The second event card has a "Waitlist" dropdown menu.
